ASSIGNMENT

WHEREAS Vincent Pavis and James Pavis, hereinafter referred to as the "Assignors", both of 1253 11th Street, Suite No. 2, Santa Monica, California 90401, have invented a new and useful invention entitled "Composition and Process for Treating Pollution" for which we have executed application papers for United States Patent, filed as Serial No. 09/900,596 on July 6, 2001, thereon, and

WHEREAS we verily believe ourselves to be the original, first and joint inventors of the invention set forth in said application for Letters Patent and represent that we have not conveyed or hypothecated any right or interest therein, and

WHEREAS F-Five Technology, Inc., a corporation of the State of California, hereinafter referred to the "Assignee", having a principal place of business at 1253 11th Street, Suite No. 2, Santa Monica, California 90401, is desirous of acquiring the entire and exclusive right, title and interest in and to said invention, any and all patent applications which may be filed thereon, and all Letters Patent which may be granted or issued therefor in the United States and throughout the world, including any and all divisions, continuations, reissues and extensions of any of the foregoing;

NOW, THEREFORE, for good and valuable consideration and for the further consideration of the sum of One Dollar (\$1.00) plus, receipt of which is hereby acknowledged, Assignors do hereby sell, assign, transfer and set over unto the said Assignee, its successors and assigns, the entire and exclusive right, title and interest in and to said invention, patent applications and Letters Patent which may be granted or issued for said invention in the United States and throughout the world, including all divisions, continuations, reissues and extensions thereof, and all international priority rights associated therewith, all to be held and enjoyed as fully and completely as the same might have been held by Assignors had this assignment not been made, and Assignors hereby authorize and request the Commissioner of Patents and Trademarks of the United States and the duly constituted authorities of foreign countries to issue all Letters Patent relating to the foregoing assigned rights to said Assignee, its successors and assigns.

Assignors agree that they will at all times keep the said Assignee advised of their whereabouts, and will promptly, upon request, and without further compensation, but at no out-of-pocket cost or expense to themselves, do all lawful acts including the execution of all necessary documents, and the giving of testimony that in the opinion of said Assignee, its successors and assigns may be necessary or desirable for obtaining, sustaining and reissuing United States and foreign Letters Patent relating to the foregoing assigned rights, and perfecting, affirming recording and maintaining the title of said Assignee, its successors and assigns thereto, and that Assignors will generally cooperate to the fullest extent in all matters pertaining to said inventions and patents, and said Assignee's title thereto.

This Assignment shall be effective as of August 01, 2000.

IN WITNESS WHEREOF, I have executed his instrument at Santa Monica, California
this day of August, 2003.

ASSIGNMENT

WHEREAS F-Five Technology, Inc., hereinafter referred to as the "Assignor", of 1253 11th Street, Suite No. 2, Santa Monica, California 90401, is the owner of an invention entitled "Composition and Process for Treating Pollution" which is the subject of U.S. Patent Application No. 09/900,596, filed on July 1, 2001, and

WHEREAS it verily believes itself to be the true owner of the invention and application by virtue of an assignment from the inventors effective August 01, 2000 and represents that it has not conveyed or hypothecated any right or interest therein, and

WHEREAS International Environmental Products, LLC, a Delaware limited liability company, hereinafter referred to the "Assignee", having a principal place of business at 1001 E. Hector Street, Suite 401, Conshohocken, Pennsylvania 19428, is desirous of acquiring the entire and exclusive right, title and interest in and to said invention, all patent applications which may be filed thereon, and all Letters Patent which may be granted or issued therefor in the United States and throughout the world, including any and all divisions, continuations, reissues and extensions of any of the foregoing;

NOW, THEREFORE, for good and valuable consideration and for the further consideration of the sum of One Dollar (\$1.00) plus, receipt of which is hereby acknowledged, Assignor does hereby sell, assign, transfer and set over unto the said Assignee, its successors and assigns, the entire and exclusive right, title and interest in and to said invention, patent applications and Letters Patent which may be granted or issued for said invention in the United States and throughout the world, including all divisions, continuations, reissues and extensions thereof, and all international priority rights associated therewith, all to be held and enjoyed as fully and completely as the same might have been held by Assignor had this assignment not been made, and Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States and the duly constituted authorities of foreign countries to issue all Letters Patent relating to the foregoing assigned rights to said Assignee, its successors and assigns.

Assignor agrees that it will at all times keep the said Assignee advised of its whereabouts, and will promptly, upon request, and without further compensation, but at no out-of-pocket cost or expense to itself, do all lawful acts including the execution of all necessary documents, and the giving of testimony that in the opinion of said Assignee, its successors and assigns may be necessary or desirable for obtaining, sustaining and reissuing United States and foreign Letters Patent relating to the foregoing assigned rights, and perfecting, affirming recording and maintaining the title of said Assignee, its successors and assigns thereto, and that Assignor will generally cooperate to the fullest extent in all matters pertaining to said inventions and patents, and said Assignee's title thereto.
